**CLOSER LOOK** Makes his local return after a popular score off the freshening at Evangeline Downs late last month; gelding has missed hitting the board just once in 11 local spins and his better numbers do fit in this spot; co-highweight worked well last week before leaving Louisiana and looks to be a money threat again in here.

**CLOSER LOOK** Boasts a couple of speed sharpening drills for his local return after being given a little extra time off a couple of poor efforts in Maryland; he's run pretty well at times in the past but is not the most consistent sort and will turn back to a one turn trip here; can't count him out on his best, but prefer to beat him on the win end.

**CLOSER LOOK** Sophomore has run off 3 straight scores to begin his career and will stretch out a panel for his first start with older; while it's tough to knock an undefeated runner, he hasn't run as fast as some of these guys and the presence of other speed is likely to hound him from the outset today; his regular pilot sides elsewhere and so will we.

CLOSER LOOK Got his neck down to take a slow heat while returning 3 1/2 months on the shelf in the local slop; he was pretty good at this trip last season and he does like this one turn trip and venue; barn is profitable with its runners second off the break and the price should be right today.

CLOSER LOOK Gelding steps in with statebreds for the first time since taking the Sunshine Millions Classic during the winter; 4 time local winner hasn't been a serious threat of late, but he is quite capable at this one turn trip and he figures to appreciate the class relief in this spot; giving him the nod to get back on track.

CLOSER LOOK Lightly raced 5 year old makes just his 6th career start and only his second back from 28 months on the bench; he returns in a month while stretching out to his longest trip and he did show pretty good speed in the slop last month; he's yet to get back to the career best number he earned in his second start and even that doesn't stack up so well in here, but he does have speed and should be involved from the bell.

CLOSER LOOK Lures a top local pilot for his first start over the track for a new outfit that excels with this type; sprinter was in top form in Louisiana this past winter and there is other speed for him to track on the stretch out here; he's a contender.

CLOSER LOOK Hit the board in his 2 local main track starts against cheaper and now he'll try a restricted stakes field; 5 year old's 4 wins have all come on the green and it doesn't look like he's going to have much impact against this bunch; have to look at others.

CLOSER LOOK Outside draw 6 year old has sharp tactical foot and almost always finds a spot right with the pacsetters early; he'll get back to 7 panels again today and figures to find another spot up top from the top but maps a bunch of early zip sipped on so he's going to have to earn this one
